

# Ugly-Pretty

## Christine and the Queens

Pretty

Let's cease this long-time mockery  
Without distraught there's no beauty  
You're both resplendent and rusty

RustyPretty

Was your red mouth overflowing  
The lightning's path under your skin  
The veins that flowed over your chin  
Your chin These flowers are sold (are sold)

This lover is cold (is cold)

The hour is gone (is gone)

The colour is wrong (is wrong)

And I, I want more (want more)

Than just a sip (than just a sip) of it all (of it all) Ugly

Is the black flag you wave at me

Nausea to make history

You think I'm lost, you just tease me

Tease me Klaus was

The closest one to embody

This sharpest taste, ugly-pretty

It was for love and love only

Only These flowers are sold (are sold)

This lover is cold (is cold)

The hour is gone (is gone)

The color is wrong (is wrong)

And I, I want more (want more)

Than just a sip (than just a sip) of it all (of it all) Ils ont insisté pour me montrer une vidéo

Où les visages s'effondraient

À cause de la mauvaise connexion

Où les présentations en gros plan

Promettaient des gouffres

J'ai pensé aux creux sur ta peau

J'ai pensé aux creux sur ta peau These flowers are sold (are sold)

This lover is cold (is cold)

The hour is gone (is gone)

The color is wrong (is wrong)

And I, I want more (want more)

Than just a sip (than just a sip) of it all (of it all)
