Here's to the Good Times

Florida Georgia Line

Lets turn it up loud, mix it up strong
Lean it back slow, get your feel good on
Cut are off short, roll it we tight

Cut em off short, roll it up tight

Let it unwind tonightDrop down the top down on the Pontiac

Where ever you wind up is where the partys at

Break out the bottle of Bacardi black

And dont look back causeHeres to the good times, heres to the sunshine

Heres to the ice you float your beer in

To the tops you pop and the tan lines disappearin

Oh my, my

Shes a little bit tipsy

Leans in for a kiss, shes stealin your heart just like a gypsy

And there you are just a drunken star, just fallin in her eyes

Heres to the good times,

while theres still timeWell lay it all out, spray it on sweet

Carve it in oak and permanent ink

Park it way back, fog it on up

Singin ohh, ohh

Radio spillin from a single cab

She looks so good with her silver tabs

Hangin on a branch by the river

Thats a memory that ll get you when you look backHeres to the good times, heres to the sunshine

Heres to the ice you float your beer in

To the tops you pop and the tan lines disappearin

Oh my, my

Shes a little bit tipsy

Leans in for a kiss, shes stealin your heart just like a gypsy

And there you are just a drunken star, just fallin in her eyes

Heres to the good times,

while theres still timeDrop down the top down on the Pontiac

Where ever you wind up is where the partys at

Break out the bottle of Bacardi black

And dont look back causeHeres to the good times, heres to the sunshine

Heres to the ice you float your beer in

To the tops you pop and the tan lines disappearin

Oh my, my

Shes a little bit tipsy

Leans in for a kiss, shes stealin your heart just like a gypsy

And there you are just a drunken star, just fallin in her eyes

Heres to the good timesHeres to the good times and the moonshine And the blue eyes under the moonlight Heres to the good times
