

Driftwood (live)

Travis

Everything is open
Nothing is set in stone
Rivers turn to ocean
Oceans tide you home

Home is where your heart is
But your heart had to roam
Drifting over bridges
Never to return

Watching bridges burn
You're driftwood floating underwater
Breaking into pieces pieces pieces
Just driftwood hollow and of no use

Waterfalls will find you bind you grind you
Nobody is an island
Everyone has to go
Pillars turn to butter

Butterflying low
Low is where your heart is
But your heart has to grow
Drifting under bridges

Never with the flow
And you really didn't think it would happen
But it really is the end of the line
So I'm sorry that you turned to driftwood

But you've been drifting for a long long time
Everywhere there's trouble
Nowhere's safe to go
Pushes turn to shovel's

Shoveling the snow
Frozen you have chosen
The path you wish to go
Drifting now forever

And forever more
Until you reach your shore
You're driftwood floating underwater
Breaking into pieces p ieces pieces

Just driftwood hollow and of no use
Waterfalls will find you bind you grind you
And you really didn't think it would happen
But it really is the end of the line

So I'm sorry that you turned to driftwood
But you've been drifting for a long long time
You've been drifting for a long long time
You've been drifting for a long long

Drifting for a long long time
