

# Splendor in the Grass

## Pink Martini

Advisory - the following lyrics contain explicit language:

I can see you're thinking baby  
I've been thinking too  
about the way we used to be  
and how to start anew Maybe I'm a hopeless dreamer  
maybe I've got it wrong  
but I'm going where the grass is green  
if you'd like to come along Back when I was starting out  
I always wanted more  
but every time I got it  
I still felt just like before Fortune is a fickle friend  
I'm tired of chasing fate  
and when I look into your eyes  
I know you feel the same All these years of living large  
are starting to do us in  
I won't say it wasn't fun  
but now it has to end Life is moving oh so fast  
I think we should take it slow  
rest our heads upon the grass  
and listen to it grow Going where the hills are green  
and the cars are few and far  
days are full of splendor  
and at night you can see the stars Life's been moving oh so fast  
I think we should take it slow  
rest our heads upon the grass  
and listen to it grow
