

Sugar Sugar

Wilson Pickett

Sugar, honey honey
You are my candy girl, you got me wantin' you
Aww, honey, sugar sugar
You are my candy girl, whoa-oh, you got me wantin' you I can't believe the loveliness of lovin' you, oh yeah
I just can't believe the oneness of this feelin' too, oh no Sugar, honey honey, oh yeah
You are my candy girl, you got me wantin' you
Honey, oh yeah, sugar sugar
You are my candy girl, you got me wantin' you, oh yeah When I kissed you girl, I knew how sweet a kiss could
be, oh yeah
Just like the summer sunshine pour your sweet love over me, oh yeah Sugar, oh, honey honey, oh yeah
You are my candy girl, you got me wantin' you, I got to say it
Sugar, yeah, honey honey, yeah
You are my candy girl, you got me wantin' you Oh sugar, yeah, honey honey
