Woman by Tommy Vixon

Verse:
You just wanna to be my friend
I'm in love with you and I can't pretend Na na na
I've gotta take a risk somehow
Tell you all the feelings I've miss, yeah

I don't want there to ever be, Anyone else but you
Cause your special to me, And I think you know it too
But I just want you, and I just need you to love me, true

Chorus:
ooh ahh, ooh ahh
Why can't a woman, why can't a woman say
Why can't a woman say, I love you ooh
I love you, ooh, I love you

Verse:
There's a problem don't ya see
You lie to me gently, cause I'm a loser, baby
Yeah, Yeah Yeah Yeah
I ain't got no confidence, to rule your wicked world, yeah
I ain't strong enough, for you,
for you for you, all for you
but I just want you, and I just need you to love me, true

Chorus:
ooh ahh, ooh ahh
Why can't a woman, why can't a woman say
Why can't a woman say, I love you, ooh
I love you, ooh, I love you

Bridge:
I know you want someone to call your bluff
It took me awhile now baby,
Cause all the other men, ate up my luck
I'm sorry to tell ya woman, that wisdom told the truth
and I'm sorry to tell ya baby, that I love you.
