

# I Love Being Here With You

**Diana Krall**

I love the east, I love the west  
North and south, they're both the best  
But I only want go there as a guest  
'Cause I love being here with you  
I love the sea, I love the shore  
I love the rocks and what is more  
You and they never be a bore  
'Cause I love being here with you  
Singing in the shower, laughing by the hour  
Love is such a breezy game  
I love all kinds of weather as long as we're together  
I love to hear you say my name  
I love good wine, fine cuisine  
Candle light I love the scene  
But baby, if you know just what I mean  
I love being here with you  
I love Ella singing, the Basie's band was swinging  
'Cause that's something else you know  
They know how to play it, they know how to say it  
They just wind it up and let it go  
I love the thrill of Paris show  
I love to kiss you on your nose  
Just when you see before I close up  
I love being here with you  
I love being here with you way down, baby
