Loyiso Bala

Siyabonga(Thank You)-Loyiso Bala

I call you first  
I call you last  
I call you everything that you are  
You are the one who gives to all, more than we could ever ask  
You are love, Beautiful love that never fails me  
You restore all things to you, perfect and true

Thank you Jesus for your love

Thank you Jesus for your love  
Siyabonga, Siyabonga  
You are so amazing, Filled with Grace  
Siyabonga, Siyabonga

You are my Hope  
You are my peace  
Lord in your hands i am protected  
Covered by Grace  
They shall be raised, to be more than what i am  
All this love, Beautiful love that never fails me  
OH it flows out of control, making me whole
