Too Late, All Gone

How To Destroy Angels

Stuck on static
Automatic
Turn off tragic
Mother magic
Too late, all gone
Interferon
I can't move on
Keep on, keep on
Parasitic
Just a pinprick
Cancer conflict
Cataclysmic
Engage, dismiss
Close call, near miss
I can't take this
I can't take this

The more we change
Everything stays the same
The more we change
Everything stays the same
The more we change
Everything stays the same

Christmas crushes
Baby blushes
Seedling ashes
Moment passes
Listen, regret
We do forget
Special effect
Same old, same sh*t
Scraping, killing
Shredding you
Coming, repeating
Lack of feeling
No sick, no cure
Get down on all fours
Make up, make sure

Go on, get dressed

The more we change
Everything stays the same
The more we change
Everything stays the same
The more we change
Everything stays the same
The more we change
Everything stays the same
[x2]

The more we change
The more we change
The more we change
The more we change
