Transcriber: Awcantor@aol.com When I saw your smilin' face

Spreadin' joy all over the place

I said, 'Ooo-ooo-ooo-ooo'

Please save me from going crazy

'Cause you're givin' me spasms, baby! I went to the doctor, the doctor said

Without your love I'd soon be dead

I said, 'Ooo-ooo-ooo-ooo'

Please save me from goin' crazy

'Cause you're givin' me spasms, baby! Oh what a fit, I always get

A-when you touch my shakin' hand

If ya tell me this ain't love

I know right away you don't understand You kiss me once, um-hmm

I ask for more

You kiss me twice, woo!

I hit the floor I said, 'Woo-ooo-ooo'

Please save me, from goin' crazy

Oh, you givin' me spasms, baby! (Instrumental and guitar) Oh what a fit, I always get

A-when ya touch my shakin' hand

If ya tell me this ain't love

I know by the way ya don't understand You squeeze me tight, hmm

I got the feelin'!

You squeeze me tighter

And I hit the Ceilin! I said, Ooo-ooo-ooo-oooh

Please save me, from goin' crazy Ooh, you givin' me spasms, baby!
