

# Carried Away

## Hear'Say

Once again I lie awake  
At night In Storyland  
I'm slippin' Away  
Understand  
Just to escape I run to hope  
Still light years away I'm sinking in the sand  
I'm gonna take your hand  
You gotta Understand I'm Carried Away  
Your Eternal Flame  
Don't Blow It Out  
You Gotta Leave It On  
I'm Finding My Faith  
Goes On And On  
I'm Really Getting Carried Away Never Fall  
Into the world of someone calling out  
A mirror Inside  
Is tellin me you just a breath away from doubt  
And you wake in the night I'm sinking in the sand  
I'm gonna take your hand  
You gotta Understand I'm Carried Away  
Your Eternal Flame  
Don't Blow It Out  
You Gotta Leave It On  
I'm Finding My Faith  
Goes On And On  
I'm Really Getting Carried Away Oh, 'cause I can go on this time  
In my Way  
'cause I believe all my prayers I'm Carried Away (Carried Away)  
Your Eternal Flame  
Don't Blow It Out (Don't Blow It Out)  
You Gotta Leave It On (Oh)  
I'm Finding My Faith  
Goes On And On  
I'm Really Getting Carried Away I'm Carried Away  
Your Eternal Flame  
Don't Blow It Out  
You Gotta Leave It On  
I'm Finding My Faith  
Goes On And On
