

The Bare Necessities

Bowling for Soup

Look for the bear necessities
The simple bear necessities
Forget about your worries and your strife
I mean the bear necessities
Old Mother Nature's recipes
That brings the bear necessities of life Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
Then maybe try a few The bear necessities of life will come to you
They'll come to you! Look for the bear necessities
The simple bear necessities
Forget about your worries and your strife
I mean the bear necessities
That's why a bear can rest at ease
With just the bear necessities of life Now when you pick a pawpaw
Or a prickly pear
And you prick a raw paw
Next time beware
Don't pick the prickly pear by the paw
When you pick a pear
Try to use the claw
But you don't need to use the claw
When you pick a pear of the big pawpaw
Have I given you a clue ? The bare necessities of life will come to you
They'll come to you! Aww mam, this is really cool
So just try and relax, yeah
Fall apart in my backyard
'Cause let me tell you something little britches
If you act like that bee acts, uh uh
You're working too hard And don't spend your time lookin' around
For something you want that can't be found
When you find out you can live without it
And go along not thinkin' about it
I'll tell you something true The bear necessities of life will come to you Look for the bear necessities
The simple bear necessities
Forget about your worries and your strife

I mean the bear necessities
That's why a bear can rest at ease
With just the bear necessities of life The bear necessities of life will come to you
