

# Lay Me Down (feat. Rico Love)

T.I.

[Chorus:]

She let me up and let me down,

She let me up and let me down!

She gimme up, I love the way she let me down! Do it baby stick it down!

Do it baby stick it down!

Do it baby, stick it, stick it baby down! Do it baby stick it down!

Do it baby stick it down!

Do it baby, stick it, stick it baby down! I said, yeah right, but you know what I got,

Got them fixing up they makeup.. when I walk up in the spot.

got they eye shadow.. when they lips is all shine,

With a smile on my face, when their lips is all mine, See I'm a big thief, feed her big peter,

beat that pussy up so she don't want me to eat her..

First I a meet her then feed her whatever she needs,

a few of theses turn a nigga wife in to a cheater, Keep her! Head down and your ass up here,

Got her hair fucked up and the lipstick smeared,

Take a city bitch here or a bitch from the boonies..

with a man at the crib, but he don't know what he doing, HOLD UP True fully she knew she do me, but she knew me,

Introduce me as she blew me, then she didn't say nothing to me,

you don't like it then see me.. she's my biggest fan now,

When I spend a day in town, she hurry up and lay me down. [Chorus:]

Damn! She lay me up and lay me down! Hey what she do? She let me up and let me down! Hey what she do? She let me up and let me down!

She get me up,

I love the way she lay me down! Do it baby stick it down!

Do it baby stick it down!

Do it baby stick it, stick it baby down! Do it baby stick it down!

Do it baby stick it down!

Do it baby stick it, stick it baby down! On the hush hush keep it low key, attitude in checked,

cause you wit an O.G, got that thing on lock,

wanna see the dope key, got dope dick give it to her till she O.D's I'm a,

put her in the life, Get her what she misses,

She's your wife, she's off limits well that is unless your slippen

and i catch her on mission in my hotel lobby,

Trying to run into somebody end up at the after party

Wit a stripper body, itty bitty wait... Big booty, begging me to decorate her pretty Hey! Hey, what can I say? She requesten that i deliver

Brought liquor for that broad shawty im that nigga

Aint playen wit ya, full of R
