Allies

Heart

In troubled times
It's hard to get straight answers

Between the lines

That border wrong or right

The homeland cries

It struggles with confusion

But this feelin' still remains

Like shelter from the rainWe live of faith

In the hands of those who guide us

And tear the page

On the fear we left behind

We set the pace

For every born survivor

Don't turn the other way

When I need to hear you sayAllies with our backs against the wall

I will answer when you call

And take on the odds

For what we believe is true

Allies in a world of too much choice

I only need your voice

To tell me you care

I'll be anywhere for you, alliesWe search our hearts

To justify the reason

And draw the line

To meet somewhere halfway

If faith is blind

Through darkness it will guide us

'cause the spirit still remains

With the keepers of the flameAllies with our backs against the wall

I will answer when you call

And take on the odds

For what we believe is true

Allies in a world of too much choice

I only need your voice

To tell me you care

I'll be anywhere for you, allies Allies with our backs against the wall

I will answer when you call

And take on the odds

For what we believe is true

Allies in a world of too much choice
I only need your voice
To tell me you care
I'll be anywhere for you, allies
