I Believe

Fantasia

Have you ever reached a rainbow's end?
And did you find your pot of gold?
Ever catch a shooting star?
Then tell me, how high did you soar?Ever felt like you were dreaming
Just to find that you're awake
And the magic that surrounds you
Can lift you up and guide you on your wayI can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now I finally realize
See I've waited all my life for this moment to arrive
And finally, I believeWhen you look out in the distance
You see, it never was that far, oh no
Heaven knows your existence
And wants you to be everything you areOh, there's a time for every soul to fly
It's in the eyes of every child
It's the hope that love will save the world
And we should never let it goI can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now I finally realize
You see, I've waited all my life for this moment to arrive
And finally, yeah, yeah, yeah, yeah, yeah, yeahI believe in the possible
If I reach deep within my heart, yeah
Overcome any obstacle
Won't let this dream just fall apartYou see, I strive to be the very best
Shine my light for all to see
'Cause anything is possible
Oh when you believeI can see it in the stars across the sky
Dreamt a hundred thousand dreams before, now I finally realize
You see, I've waited all my life for this moment to arrive
And finally, I believeLove keeps lifting me higher
Love keeps lifting me higher
Love keeps lifting me higher
