

# Lazy Poker Blues

## Fleetwood Mac

Me and my baby don't do nothing but lay around all day long  
I said, "Me and my baby don't do nothing but lay around all day long"  
Yeah, when I'm with my baby, lazy poker goin' on  
She puts some coal on the fire, so I can keep my poker hot  
she puts some coal on the fire, so I can keep my poker hot  
Yeah, we stoke around all day long  
And night time we stoke around some more  
Well now me and my baby don't do nothin', lay around all day long  
I said, "Me and my baby don't do nothin' but lay around the whole day long"  
When I'm with my baby, lazy poker goin' on  
Lazy poker
