

Your Sister

Sloppy Seconds

hey man, i kinda like your sister (yeah yeah yeah)
hey man, i hope thats cool.
hey man, i'm gonna lose my mind
every single time i find your sister,
suntannin by the pool.hey man, i wanna see her naked (yeah yeah yeah)
hey man, i'm always in her room
all alone when no ones there,
goin through her underwear
and hey man, i gotta see her soon.hey man, i wanna get her pregnant (yeah yeah yeah)
hey man, how can i resist her (resist her)
the day i give her a wedding band,
are you gonna be my best man?
and hey man, i kinda like your sister
i kinda like your sister
i kinda like your sister
i kinda like her!
