

Let It Out

Hoobastank

Yeah

This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself for everyone to see

I'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out

Who cares if you don't like it

If you don't like it

Go ahead, you know just what you want to do

Don't deny, you feel 'cause I feel it to

Take a look all around, you'll feel it in the air
From the sky to the ground, I feel it everywhere

I'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out

Who cares if you don't like it

I'm not afraid to let it out

I'm gonna show you how I feel

I'm not afraid to let it out, to let it out

Who cares if you don't like it

If you don't like it, if you don't like it

Who cares if you don't like it

Who cares if you don't like it

Who cares if you don't like it

Who cares if you don't like it

This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself for everyone to see

I'm not afraid to let it out

I'm gonna show you how I'm free

I'm not afraid to let it out

Who cares if you don't like it

I'm not afraid to let it out

I'm gonna show you how I'm free

I'm not afraid to let it out

To let it out, to let it out, to let it out

Who cares if you don't like it
If you don't like it, if you don't like it
