Down In Dixieland

Leon Russell

Come on down to the river
Take me by the hand
We'll go down to Louisiana
Then you'll understandWhen you hear that music
You think it's heaven's band
Whoa, no
Down in DixielandLet me buy you a fan
When the day is done
Stand here together, oh
Watching the setting sunCatch me so depleted
Feeling like we can't
Whoa, all together
Just down in Dixieland
Touch me in the night
Make everything alright
Make my heart feel like a drum
And I'll know my time has comeTell me all your stories and
Kiss me with your eyes
Make me feel a shouting
Take me and reel your eyesWe can't live forever
But now we understand
Whoa, oh
Down in DixielandYou get me, oh, completely,
Feeling like we can
Whoa, yeah,
That's down in Dixieland
Down
Down
Down in
DixieDown
Down
Down in
DixieDown
Down
Down in
DixieBut we're down
Down
Down in
Dixie
