The Medicine Song

Stephanie Mills

Danger eyes are no surprise
In stayin' wise to you
Shady walks and midnight stalks
Have showed me what to doKept my cool, this aint no fool
You think youre messin' with
I know how to keep you round
Cause I know where you beenYou think that they really want just you
(Better think again, better think again)
Im the only one knows what to do
Cause youve been bad, baby, oh, so bad, baby
And theres only one thing can be doneYou need a little bit of this medicine
(Just a little touch up)
Mamas gonna give you some medicineYou need a little bit of this medicine
(Just a little touch up)
Mamas gonna give you some medicineEvery time I think youre mine
Youre up to somethin' new
Ive done almost everythin'
To try to get to youAll my friends are just dead ends
In helpin me along
I just keep on wonderin
What am I doin wrongThere is only one thing left to try
(Do it again, do it again)
On this cure Im sure I can rely
Cause youve been bad, baby, oh, so bad
And theres only one thing can be doneYou need a little bit of this medicine
(Just a little bit touch up)
Mamas gonna give you some medicine
(Just a little touch up)You need a little bit of this medicine
(Oh, my medicine)
Mamas gonna give you some medicine
(Mamas gonna give you some medicine)Cause youve been bad, baby
Oh, youve been so bad
And theres only one thing can be doneTake your medicine
(Doctors here)
Take your medicine
(The nurse is here)Take your medicine
(Dont you wanna get cured?)
Take your medicine
(Take your medicine, baby)Take your medicine

(Take your medicine, honey)
Take your medicine
(Oh, come on)Take your medicine
(Go on and take it)
Take your medicine
(Go on and take it)You gotta take it if you wanna shake it
(Medicine)
You gotta take it if you wanna shake it
(Medicine)You gotta take it if you wanna shake it
(Medicine)
You gotta take it if you wanna shake itYou need a little bit of this medicine
(Mamas gonna give you some medicine)
Mamas gonna give you some medicine
(Hey, I got all the medicine)You need a little bit of this medicine
(Mamas gonna give you a touch up)
Mamas gonna give you some medicine
(Come on, baby, take your medicine)You need a little bit of this medicine
(I got the cure)
Mamas gonna give you some medicine
(I got the cure)You need a little bit of this medicine
(Mamas gonna give you some medicine)
Mamas gonna give you some medicine
(I got the cure)You need a little bit of this medicine
(Oh, take your medicine)
Mamas gonna give you some medicine
(I got the cure, you know I do, okay)You need a little bit of this medicine
(Oh, my medicine)
Mamas gonna give you some medicine
