

Heart on Fire (Remastered Acoustic Version)

[Jonathan Clay](#)

I'm falling in
I'm falling down
I wanna begin but I don't know how
To let you know how I'm feeling
I'm high on hope, i'm reeling And I won't let you go
Now you know
I've been crazy for you all this time
I've kept it close
Always hoping With a heart on fire
A heart on fire
with a heart on fire
a heart on fire Hand in hand
Sparkling eyes
The days are bright
And so are the nights
Cause when i'm with you I'm grinning
Once i was screwed now i'm winning I won't let you go
Now you know
I've been crazy for you all this time
I've kept it close
Always hoping With a heart on fire
A heart on fire
With a heart on fire
A heart on fire I was shy, down, closed up
You opened up the door.
I don't know where you came from,
but you woke me up and left me wanting more
Everything about you,
and everything you do. No I won't let you go
Now you know
I've been crazy for you all this time
I've kept it close
Always hoping With a heart on fire
A heart on fire
With a heart on fire
A heart on fire
A heart on fire
