

Seven Lonely Streets (BBC Radio Session)

Atomic Rooster

Seven Lonely Streets, Walking All Alone.
Never Needing No One, Always On My Own.
Since I Left The World, To Live My Own Way,
People I Don't See, No One's In My Day.
In My Sleep I hear, But My Eyes Can't See
Photos Of My Past, Of My Life To Be.
Ear Faced To The Wind To See All I Can Hear,
The Days Would Be So Long, Seven Streets I Fear.
Seven Lonely Streets I'm Walking All On My Own.
Seven Days I Weep, Oh All Alone, So All Alone.
Seven Lonely Streets, On My Own.
Seven Lonely Streets, Walking All Alone.
Never Needing No One, Always On My Own.
Since I Left The World, To Live My Own Way,
People I Don't See, No One's In My Day.
Seven Lonely Streets, I'm Walking All Alone.
Seven Days I Plead, All On My Own.
