

No Interruption

Hoodie Allen

Uh, All American.

First Team Bitch.

Yeah.

I gotta fake ID and a check list.

It goes never meet a girl on Craigâ€™s List.

And never spend your money on a necklace.

3 square meals, homie gotta have breakfast.

Real shit, she be payinâ€™ for the date.

I be on my Will Smith, Enemy Estate.

Keep my friends close, keep my enemies away.

And if they all repellinâ€™, uh, they so jealous.

Imma do shit that just piss them off

Say you never heard me itâ€™s your loss.

They bitinâ€™ on my freestyles.

They tell me make my money

Fightinâ€™ on that wheat style.

I tell â€™em I be too old for it

And I gave my brother my ID.

She independent but these bitches never find me.

I hope they donâ€™t find him, though.

â€™Cause they be knocking on my door

Now they looking through my window.

Tell me what you really want from me,

Point blank no discussion.

Close mouth, close mouth, ow.

I give it to you No Interruption.

And tell me one time that you want me.

I promise that I wonâ€™t say nothing.

Shi-shut it up, shi-shi-shut it up.

Iâ€™ll give it to ya, No Interruption.

In your home in your home oh.

On the phone, on the phone.

All alone, all alone, uh.

Iâ€™ll give it to ya, No Interruption.

In your house, in your house oh.

On the couch, on the couch.

Name the time and the place and the function.

Iâ€™ll give it to you, No Interruption.

Talking money I donâ€™t really give a F, man.

I got power like a mother-Fuckinâ€™ X-Man

Married to the game but Iâ€™d rather be the best man,

You be on the same shit all day ESPN.

Brand new kicks, why you shoppinâ€™ at a Payless.

Doing it on my first take, skippinâ€™ all the payless.

See me you can be me but I end up on the A list.

Iâ€™m chilling with Rihanna and the KKK mans.

Iâ€™m just kidding Iâ€™m a white kid, hi kids!

Anderson Silva, I hit â€™em with the high kicks.

Never been realer, you nuttinâ€™ but a side kick.

Oh you on Myspace? That use to be my shit.

So whoâ€™s killinâ€™ the game? Whoâ€™s the culprit?

I be working like Iâ€™m Anders Holmvick.

Now I gotta buncha new friends and they all rich.

Got blazers, all rich.

Tell me what you really want from me,

Point blank no discussion.

Close mouth, close mouth, ow.

I give it to you No Interruption.

And tell me one time that you want me.

I promise that I wonâ€™t say nothing.

Shi-shut it up shi-shi-shut it up.

Iâ€™ll give it to ya, No Interruption.

In your home in your home oh.

On the phone, on the phone.

All alone, all alone, uh.

Iâ€™ll give it to ya, No Interruption.

In your house, in your house oh.

On the couch, on the couch.

Name the time and the place and the function.

Iâ€™ll give it to you, No Interruption.

I know itâ€™s hard to give you everything you want from me,

When Iâ€™m running on empty.

(Iâ€™m runninâ€™, Iâ€™m runninâ€™, Iâ€™m runninâ€™)

I know itâ€™s hard to be the type of dude you wanna be,

â€™Cause your girlfriend wanted me.

(Where she want it though?)

Oh

In your home in your home oh.

On the phone, on the phone.

All alone, all alone, uh.

Iâ€™™ll give it to ya, No Interruption.

In your house, in your house oh.

On the couch, on the couch.

Name the time and the place and the function.

Iâ€™™ll give it to you, No Interruption.
