

No Sense (ft. Travis Scott)

Justin Bieber

Yeah, yeah

It don't make no sense unless I'm doing it with you

It don't make no sense unless I'm doing it with you(Alright)

The sun don't set the same as you're watching it go down with me

And I won't sleep the same unless you're waking up in here with me

Oh, my heart's a vacant house when you're gone away, it's so empty

And love don't make no sense when it's empty (Oh no)

I've driven almost every car

It ain't the same when I'm without you, boo

Been around a million stars

None of 'em shine brighter than you

The sky be so dark now without you

Yeah, ooh, baby It don't make no sense unless I'm doing it with you

It don't make no sense unless I'm doing it with you

Oh been around the world ain't the same without you

It don't make no sense unless I'm doing it with you Focus ain't the same if the picture ain't got you in it

In every limelight

Emotions ain't the same if it ain't about you, I don't get it

Ever since the beginning now

You had that effect on me

All I wanna do is you, oh

I mean that so literally

Don't nobody go harder than you

All of the angels must be lonely now, without you, woah It don't make sense, no

It don't make no sense unless I'm doing it with you

'Cause I'm doing it with you baby

It don't make no sense unless I'm doing it with you

I only want to hear your voice, yeah

Oh, been around the world, ain't the same without you

Had to find out the hard way

It don't make no sense unless I'm doing it with you

(Going way up, way up)

It don't make no sense unless I'm doing it with you

(Yeah, slow down stay up, stay up, stay up)

It don't make no sense unless I'm doing it with you Time and time again I break a plan

Without you girl I ain't the man

Could never be all I could be

You over stand, I'm incomplete

Apparently, you gotta know I hate that

How am I supposed to take that?
Boo'd up, missing all of that
Gotta be laying in that
Rolled up, put a flame to that
Couple times you would made it back, be patient
Won't you pull up to me now, I'm forever young
It's amazing
I don't want to sleep unless you at home It don't make sense, no
It don't make no sense unless I'm doing it with you
No, It don't make sense
It don't make no sense unless I'm doing it with you
No, it don't make sense, it don't make sense
It don't make no sense unless I'm doing it with you
(Alright, yeah, alright)
