

# Call It Off

## The Films

I won't regret saying this  
This thing that I'm saying  
Is it better than keeping my mouth shut?  
That goes without saying  
Call, break it off  
Call, break my own heart  
Maybe I would have been something  
You'd be good at  
Maybe you would have been something  
I'd be good at  
But now we'll never know  
I won't be sad  
But in case I go there everyday  
To make myself feel bad  
There's a chance I'll start to wonder  
If this was the thing to do  
I won't be out long  
But I still think it better if  
You take your time coming over here  
I think that's for the best  
Call, break it off  
Call, break my own heart  
Maybe I would have been something  
You'd be good at  
Maybe you would have been something  
I'd be good at  
But now we'll never know  
I won't be sad  
But in case I go there everyday  
To make myself feel bad  
There's a chance I'll start to wonder  
If this was the thing to do  
I'll start to wonder  
If this was the thing to do
