

Unprofessional (live - Radio Session)

Kent

Your lazy moves gives you away
Staring at the lenses that record your day
So laugh your nervous laugh again
And I will listen in We'll wire you up and take your pulse
Far away from any of the pain this does
I press my cheek against the glass
It's cool but it won't last You know that it's one of a thousand ways
It's one of a thousand ways
It's one of a thousand ways
To see right through you, dear Silence, action, camera two
We go climbing up the walls for who
Your lazy moves are laying low
We watch you come and go You know that it's one of a thousand ways
It's one of a thousand ways
It's one of a thousand ways
To see right through you, dear And now we fade out fast to the blackout
And we are heading for our Isola
And when we fade out fast to the blackout
We fade as fast as we fall, we fall You know that it's one of a thousand ways
It's one of a thousand ways
It's one of a thousand ways
To see right through you, dear You know that it's one of a thousand ways
It's one of a thousand ways
It's one of a thousand ways
To see right through you, dear
