

Once More With Feeling

Kris Kristofferson

We're just goin' through the motions
Of the parts we've learned to play
Never quite together like before
'Cause somehow darlin' something good
Got lost along the way
And our song ain't nothing
Special anymore So try it one more time
With feeling darlin', take it from the top
Let me feel those tears a fallin' babe
I don't want to miss a single drop
Darlin' make believe your makin'
Me believe each word you say
Try it once more with feeling
And we'll call it a day Ah you're reachin' out to touch me baby
Just the way you used to do
You're lookin' everywhere but
But in old Jerry's eyes
Well honey, that's an oldy but it's a goody
But them words ain't ringin' true
And you don't seem very sure of your life So try it one more time with feeling baby
Take it, take it from the top
This one is gonna be the big one honey
They'll give it everything you got
And little everything that I love to give
Before we go our separate ways
And once more with feeling
And we'll call it a day
