I Would

Britni Hoover

[Liam]Lately I found myself thinking (thinking)
Been dreaming about you a lot (a lot)
And up in my head I'm you're boyfriend (boyfriend)
But that's one thing you've already got
[Harry]He drives to school every morning (morning)
While I walk alone in the rain (the rain)
He'd kill me without any warning (warning)
If he took a look in my brain
[Zayn]Would he say he's in L-O-V-E?
Well if it was me, then I would, I would
Would he hold you when you're feeling low?
Baby, you should know that I would, I would
[All]Would he says that he's in L-O-V-E?
Well if it was me, then I would I would
Would he hold you when you're feeling low?
Baby, you should know that I would
[Niall]Back in my head we were kissin'(kissin')
I thought things where going alright (alright)
With a sign on my back saying 'Kick Me'('Kick Me')
Reality ruined my life
(On top of the world)
[Louis]It feels like I'm constantly playin'(playin')
A game that I'm destined to lose(to lose)
'Cause I can't compete with your boyfriend(boyfriend)
He's got twenty-seven tattoos
[Zayn]Would he say he's in L-O-V-E?
Well if it was me, then I would, I would
Would he hold you when you're feeling low?

Baby, you should know that I would
[All]Would he say that he's in L-O-V-E?
Well if it was me, I would, I would
Would he hold you when you're feeling low?
Baby, you should know that I would
(I would, I would)
[Louis and Zayn]Would he please you?
Would he kiss you?
Would he treat you,
Like I would (I would)

Would he touch you?
Would he need you?
Would he love you?
Like I would
[Harry]Would he say he's in L-O-V-E?
Well if it was me, then I would
Would he hold you when you're feeling low?
Baby, you should know that I would
[Louis and Zayn]Would he please you? (Would he please you?)
Would he kiss you? (Would he kiss you?)
Would he treat you, like I would??
Would he touch you? (Would he touch you?)
Would he need you? (Would be need you?)
Would he love you
Like I would???
[All]Would he say he's in L-O-V-E?
Well if it was me, then I would (I would)
Would he hold you when you're feeling low?
Baby you should know that I would
(Oh) I would, (yeah) I would, (yeah) I would,Yeah
