

Come On Come On

Mando Diao

If you like to get in touch with me someday
I know just what you'll say, useless empty words
You close your eyes and try to talk me through
No matter what you'll do you know I'll be just fine
So come on, come on, come on, come on
Dress me like a queen
Confuse me, even steal my inner feelings
Come on, come on, come on, come on
Change the way I've been
Just hold me down, abuse my mind forever, yeah, oh yeah
You held me down that night so long ago
I knew you sold your soul to that devils hole
And I was a part of licking tears from you
No matter what you'll do you know I'll be just
So come on, come on, come on
Dress me like a queen
Confuse me, even steal my inner feelings
Come on, come on, come on, come on
Change the way I've been
Just hold me down, abuse my mind forever, yeah
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Dress me like a queen
Confuse me, even steal my inner feelings
Come on, come on, come on, come on
Change the way I've been
Just hold me down, abuse my mind forever
Don't stop it, hey, hey

Don't stop it, no, no
