

I Know You Rider (Live At Veneta, OR, 8/27/72)

Grateful Dead

Well I know you rider, gonna miss me when I'm gone
Well I know you rider, gonna miss me when I'm gone
You gonna miss your mama from rolling in your arms Well I know my baby he's bound to love me some
Well I know my baby he's bound to love me some
He throws his arms around me like a circle round the sun Well I laid down and I tried to take my rest
I laid down and I tried to take my rest
but my mind it just kept wandering like some wild geese in the west I'm going down the road where I get better
care
I'm going down the road where I get better care
I believe I'll go babe, I just don't feel welcome here Just as sure as the bird fly in the sky above
Just as sure as the bird fly in the sky above
Life ain't worth living if you ain't with the man you love The sun's gonna shine in my back door some day
The sun's gonna shine in my back door some day
The wind's gonna rise and blow my blues away To love you baby, it's easy as falling off a log
To love you baby, it's easy as falling off a log
Wanna be your baby but I sure won't be your dog
