

# Nothin' You Can Do About It

Richard Marx

Have you heard the news?  
I'm doing what I said I would  
So now you say  
Boy, I always knew you couldMy wildest dreams  
Murdered by reality  
I gave all I could give you  
But now I'm taking back what belongs to meI read you like a drugstore book  
How'd I ever think you were cool?  
You got no bait left on your hook  
You're no friend and buddy, I'm no foolThere ain't nothin' you can do about it  
There ain't nothin' you can say  
There ain't nothin' you can do about it  
No one's gonna stand in my wayI've done my time  
I've given up my pound of flesh  
So why can't the man seem to understand  
That I've already passed the test?Well, you did your best to keep me down  
Tried to make my spirit give in  
But I'm here to make a big, big sound  
It's your turn to lose and it's my turn to winThere ain't nothin' you can do about it  
There ain't nothin' you can say  
There ain't' nothin' you can do about it  
And no one's gonna stand in my way  
Ain't nothin' you can do about it  
Ain't nothin' you can sayI know you can never go back  
Once you turn and walk out that door  
I got no time for worries like that  
I'm not a kid anymoreYou did your best to keep me down  
Tried to make my soul give in  
But now I'm here to make a big, big sound  
It's your turn to lose and it's my turn to winThere ain't nothin' you can do about it  
There ain't nothin' you can say  
There ain't' nothin' you can do about it  
And no one's gonna stand in my wayAin't nothin' you can do about it  
Ain't nothin' you can say  
Ain't nothin' you can do about it  
No, noAin't nothin' you can do about it  
Ain't nothin' you can say  
Ain't' nothin' you can do about it  
Nothing
