

# Christmas Lullaby

## Mannheim Steamroller

Sleep tight, little one  
Christmas day is all over  
Sleep tight, my love  
To this sweet lullaby  
All the stars in the sky  
Will keep watch over your heart  
All the stars and I  
Will keep watch over you  
It's a night to believe  
It's a night filled with wonder  
It's a night filled with dreams  
Christmas dreams  
You can make true  
All the stars in the sky  
Will keep watch over your heart  
All the angels and I  
Will keep watch over you  
Sleep tight, little one  
Christmas day is all over  
Your daddy and I  
Will always love you  
It's a night to believe  
It's a night filled with wonder  
It's a night filled with dreams  
Christmas dreams  
You can make true  
Sleep, little one  
Christmas day is all over  
Your daddy and I  
Will always love you
