Sense of Insanity

Blackfield

Mother, have you seen the world today?
The shooting all over town
Are you senile? I'm not the one you prayed for
It doesn't matter, I'm still aliveI was walking on the clouds
You've got to be brave if you want to have crowds
Dreams guide me to the mountain
I was standing like a priest with his ancient Bible
I was preaching the sense of insanity
Brothers, let's get out to the streets
Sure there's something you want to say
They won't hear you like they never did
All your heroes ran away
I was walking on the clouds
You've got to be brave if you want to have crowds
Dreams guide me to the mountain
I was standing like a priest with his ancient Bible
I was preaching the sense of insanityDreams guide me to the mountain
I was standing like a priest with his ancient Bible
I was preaching the sense of insanity
