Sposed To Be

Toni Braxton

I never have to check his phone
And worry 'bout him when he's gone
'Cause even when he's not at home
He's right where he said, he'd be
I never go to bed frustrated
And I never ever, ever have to fake it
'Cause when it comes to our lovemaking
He always aims to please
Say mmm mm mm
What he's serving it tastes so good to me
Say mmm mm mm
He ain't perfect but he does it for me
My man's tailor made for me
He comes in just my size
And every time I put him on
I swear he fits just right
Baby, that's how it's sposed to be
I'm right for him and he's down for me
There ain't no other lady
Gon' be sexin' my baby but me
And, baby that's how it's sposed to be
He knows where every single spot is
And everyone hears that drop
When he want to get it off
No problem, he knows it's all of me
He ain't about the games and front no
Staking on his name means something
Ain't gon' let him go for nothing
We gon' make history
Say mmm mm mm
What he's serving it tastes so good to me
Say mm mmm mm
He ain't perfect but he does it for me
My man's tailor made for me
He comes in just my size
And every time I put him on
I swear he fits just right
Baby, that's how it's sposed to be
I'm right for him and he's down for me

There ain't no other lady
Gon be sexin' my baby but me
And baby, that's how it's sposed to be
And I know sometimes we fight
You go your way, I go mine
Still it's you I adore
And I put this on my life
As long as I'm alive
Boy, it's you I live for
Oh baby
That's how it's sposed to be
[Incomprehensible] and he's my baby
And nobody take him away from me
Baby, that's how it's sposed to be
I'm right for him and he's down for me
There ain't no other lady
Gon' be sexin' my baby but me
And baby, that's how it's sposed to be
We can, oh no forget it
I'm his that's automatic
His love, I gotta have it
And that's how it's sposed to be
We can, oh no forget it
I'm his that's automatic
His love, I gotta have it
And that's how it's sposed to be
And that's how it's sposed to be
