

Closer

Goapele

Closer to my dreams
Coming over me
I'm gettin' higher
Closer to my dreams
I'm getting higher and higher
Feel it in my sleep
Some times it feels like I'll never go pass here
Some times it feels like I'm stuck forever and ever
When I'm going higher
Closer to my dreams
I'm goin' higher and higher
I ain't gonna sleep
Some times you just have to let it go
(Let it go, let it go)
Leaving all my fears to burn down
Push them all away so I can move on
Closer to my dreams
Feel it all over my being
Close your eyes and see what you believe
I'm moving higher, oh
(Higher)
I'm going higher and higher and higher
(Higher and higher)
Closer to my dreams
(Higher and higher, oh oh)
I'm moving upward and onward and beyond all I can see
(Stretching out my arms, so I can breathe)
Feels so close it's like I can just reach
I can feel my dreams
(Closer to my dreams)
I'm moving closer to my dreams
Some times it feels like you never gon' change
(Never gon' change)
But you never choose to walk away
