## Closer

## **Goapele**

Closer to my dreams Coming over me I'm gettin' higher Closer to my dreams I'm getting higher and higher Feel it in my sleep Some times it feels like I'll never go pass here Some times it feels like I'm stuck forever and ever When I'm going higher Closer to my dreams I'm goin' higher and higher I ain't gonna sleep Some times you just have to let it go (Let it go, let it go) Leaving all my fears to burn down Push them all away so I can move on Closer to my dreams Feel it all over my being Close your eyes and see what you believe I?m moving higher, oh (Higher) I?m going higher and higher and higher (Higher and higher) Closer to my dreams (Higher and higher, oh oh) I?m moving upward and onward and beyond all I can see (Stretching out my arms, so I can breathe) Feels so close it's like I can just reach I can feel my dreams (Closer to my dreams)

I'm moving closer to my dreams

Some times it feels like you never gon' change

(Never gon' change)

But you never choose to walk away
