

Tap In (feat. E-40 & Nef The Pharaoh)

AD & Sorry Jaynari

Give it to 'em like woo
What you say now?
Once it clean, I go 8 rounds
By the way, ay
Grab life like it 8 mile
Want a feature, hit the PayPal
Say round, woo
Fuck a stop sign
It's a go to the cop shop
Want some Yeezys, I'mma cop mine
Anybody tryna stop mine
Same nigga on the way up
I'm all live
Wait, wait a minute, I ain't playing with it
Kobe blowing up my line while I lay up in it
Damn, run your mouth, I'mma stay offended
Labels tripping, staying independent
Got me like woo
It's so many right now
Going through and make it happen
For the team right now
I'm looking clean right now
You still get a beating right now
Give it to 'em like woo
Lame ass niggas play hard
Couldn't last one day in my set
(I give it to 'em like woo)
From the Bay to LA
We the niggas in charge, come through you better tap in
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
I give it to 'em like woo
It's for my niggas in the Su
I never switch, I love my crew

I pour it up, I sip juice
I had 4 sets too
I hit that [?] on you
I got payroll on you
Backwood full of glue
Yeah I ball like the hoop
Make it, call it a shoot
Now your family miss you
They got family issues
I'm just playing my crew
I got duties to do
I got money to take
I got checks in the bank
I kiss girls in they face
Fall asleep off the drank
I go hard in the paint
You rapping like you a real nigga
But you ain't
My brodie caught a ??
And put that bitch on skates
And I just knock a hoe
And sent that bitch on dates
I been in it for a minute
My recognition is late
[?]
I'm the great, nigga say it to my face
Lame ass niggas play hard
Come last, [?]
(I give it to 'em like woo)
From the Bay to LA
We the niggas in charge, come through you better tap in
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
I give it to em like, woo
Suckas ain't coo
Dont make me do the fool
Im crafty with the tool
Im drinkin on the stoop
Im stubborn as a mule
Lame ass niggas play hard

Come last, [?]
(I give it to 'em like woo)
From the Bay to LA
We the niggas in charge, come through you better tap in
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
Like woah, give it to 'em
Give it to 'em like woah
(I give it to 'em like woo)
