My Refuge (Sonicflood)

Sonicflood

I take my refuge in the palm of Your hand
I take my comfort in Your perfect plan
I take my sorrow and lay it down at Your feet
I take my refuge where I can be freeIn You, Oh Lord
In You, my God
When there's no where to turn
And there's nothing that's true
I find my peace here in You (2x)I take my shelter in the shade of Your wings
I take my pleasure in the hope that You bring
I take my weakness to the foot of the cross
I take my refuge where I can get lostI worship You, Lord
For all that You are
I stretch out my faith
And lay down my heart
There's no where else
That I'd rather be
Than where there's more You, Lord
And where there's less meIn You, Oh Lord
In You, my God
When there's no where to turn
And there's nothing that's true
I find my peace here in You (2x)I will worship You with all my heart, my soul
I will worship You with all my mind, my strength. (2x)
