Drivin' Down The Road

Naked Aggression

Drivin' down the road in a stolen car
Trying to get away from this stinking town
Don't wanna be like my mom
Don't wanna be like my dad
Living a structured life
In a suburban padWhy should I go to school
To get a boring job
My money won't even matter
When I'm in the groundChorus:
I'll do what I want
I'll do what I choose
I'll do what I want
I have nothing to lose
No! Nothing to lose
Lose, No! Nothing to lose
I'm gonna leave this place
Don't try to hold me back
I'm gonna leave this place
I will never come backI think about it tonight
As I take a deep breathe
How many more have I got
Before I meet my deathI used to get so tired
Thinking about my fate
I know I can't live a life
Doing something I hate(Chorus)If you're bored with your life
Then don't be a fool
Make your own decisions
Create your own rulesDrivin' down the road in a stolen car
Trying to get away from this stinking town
