Don't Preach

Drake Bell

You're drillin' a hole in my ceiling
Too bad it won't rain
You're slippin' without any feeling
So don't you complainSorry doesn't make it okay
Cause I'm the one that paid your way
Sorry doesn't make it okay
Cause I'm the one that paid your way
Don't preachI can't believe what you said
How you live, how you laugh, how you love
You took my money away
Made me sleep on the floor that I've had
But I don't care anyway
Cause I laugh when you cry
Do you think you would die if I said
Don't preachYou say that I suck...
