

# Blasphemer

## Fornost

Black metal is the game I play  
'Cause no one show me the right way  
I am a bloody Antichrist, only believe in bad  
Spit at the church, evil I get Blasphemer  
Blasphemer  
Blasphemer  
Blasphemer Rites of death return to Hell  
I am Satan's child, attack you with spell I turn the cross upside down  
And read Satanic Bible with fucking crown  
My life begins at midnight twelve  
Masturbate to kill myself Blasphemer  
Blasphemer  
Blasphemer  
Blasphemer Rites of death return to Hell  
I am Satan's child, attack with spell I love to drink my own blood  
My sin is my life in a war with God  
I talk to the demons night tonight  
Make love and black masses in a dark shadow light Blasphemer  
Blasphemer  
Blasphemer  
Blasphemer Rites of death return to Hell  
I am Satan's child, attack you with spell Blasphemer  
Blasphemer  
Blasphemer  
Blasphemer
