Lover Come Back To Me

EastCoastJazzband

D'you ever see yourself in my eyes?
Did you ever think that maybe I'd be lost without you?
D'you ever think that I was alright
You knew it all along
D'ya ever try to sing to my songs?
Did you ever take a walk is wasn't walking with you, yea?
Did you love me just to be loved?
I knew it all along, I didn't try.
Sometimes I like to be alone.
Sometimes I try to telephone...
Lover, come back to me,
Lover, come back to me,
In your arms is where I need to be
I am alone
I am alone
A raging sea.
I want to taste your bronze skin's delights.
Did you ever want to be the sun that browns me?

D'ya ever think that I might decide?
To ask you to stay, baby put up a fight.
Sometimes I like to be alone.
Sometimes I try to telephone...
Lover, you
Lover, come back to me,
Lover, come back to me,
'Cause in your arms is where I need to be.
I'm alone
I am alone
Raging sea, yea
Lover you
Lover, come back to me
Lover, come back to me, yea
Lover, come back to me , yea
In your arms is where I need to be
I am alone
I am alone
in this raging sea, yea
