

Lover Come Back To Me

EastCoastJazzband

D'you ever see yourself in my eyes?
Did you ever think that maybe I'd be lost without you?
D'you ever think that I was alright
 You knew it all along
D'ya ever try to sing to my songs?
Did you ever take a walk is wasn't walking with you, yea?
 Did you love me just to be loved?
 I knew it all along, I didn't try.
 Sometimes I like to be alone.
 Sometimes I try to telephone...
 Lover, come back to me,
 Lover, come back to me,
In your arms is where I need to be
 I am alone
 I am alone
 A raging sea.
 I want to taste your bronze skin's delights.
Did you ever want to be the sun that browns me?

D'ya ever think that I might decide?
To ask you to stay, baby put up a fight.
 Sometimes I like to be alone.
 Sometimes I try to telephone...
 Lover, you
 Lover, come back to me,
 Lover, come back to me,
'Cause in your arms is where I need to be.
 I'm alone
 I am alone
 Raging sea, yea
 Lover you
 Lover, come back to me
 Lover, come back to me, yea
 Lover, come back to me , yea
In your arms is where I need to be
 I am alone
 I am alone
 in this raging sea, yea
