

Can't Stop

CNBLUE

English Translation:

Just once in a day, I remember you, miss you
Just once in a day, I try to forget
This can't be right, this can't be right
If this isn't right, then what am I supposed to do?
With your one word, I laugh
I live day by day, like a mirror
My day is yours Can't stop me now Can't stop me now
I still smell your scent of spring
Can't stop me now Can't stop me now
I can't stop, I can't stop loving you
You come to me in the fluttering wind
You come to me in the blinding sunshine
I can't stop, I can't stop loving you
If you take a step back, will I let you, miss you
Take a step back, I will wait
This can't be right, this can't be right
If this isn't right, then what am I supposed to do?
With your one word, I laugh
I live day by day, like a mirror
My day is yours Can't stop me now Can't stop me now
I still smell your scent of spring
Can't stop me now Can't stop me now
I can't stop, I can't stop loving you
Distracted, gone crazy
If I endlessly call out
Will you take a last glance?
Can't stop me now Can't stop me now
I still smell your scent of spring
Can't stop me now Can't stop me now
I can't stop, I can't stop loving you
You come to me in the fluttering wind
You come to me in the blinding sunshine
I can't stop, I can't stop loving you Romanized:
