Feel You Like A River

Atb

I can feel you across the miles in my body
Almost physical, spiritual
Like there was no separation
Like you were right beside me, like a riverI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never diesRemember the bridge we crossed out over the water
With the sun streaming in through the leaves
We can keep it alive
Was just energyI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never diesAnd I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a riverI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never diesAnd I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a river
And I feel, I feel, I feel you like a river
