It Ain't Hard To Tell (Arona Mane Remix)

Nas

It ain't hard to tell, I excel, then prevail
The mic is contacted, I attract clientele
My mic check is life or death, breathing a sniper's death
I exhale the yellow smoke of buddha through righteous steps
Deep like The Shinin', sparkle like a diamond
Sneak a uzi on the island in my army jacket lining
Hit the Earth like a comet, invasion
Nas is like the Afrocentric Asian, half-man, half-amazing
Cause in my physical, I can express through song
Delete stress like Motrin, then extend strong
I drank Moet with Medusa, give her shotguns in hell
From the spliff that I lift and inhale, it ain't hard to tellThe buddha monk's in your trunk, turn the bass up
Nas, stories by Aesop, place your loot up, parties I shoot up
Nas, I analyze, drop a Jewel
Inhale from the L, school a fool well, you feel it like braille
It ain't hard to tell, I kick the skill like Shaquille holds a pill
Vocabulary spills I'm Ill
Plus Matic, I freak beats slam it like Iron Shiek
Jam like a tech with correct techniques
So analyze me, surprise me, but can't magnetize me
Scanning while you're planning ways to sabotage me
I leave em froze like her-on in your nose
Nas'll rock well, it ain't hard to tellThis rhythmatic explosion, is what your frame of mind has chosen
I'll leave your brain stimulated, niggas is frozen
Speak with criminal slang, begin like a violin
End like Leviathan, it's deep well let me try again
Wisdom be leaking out my grapefruit troop
I dominate break loops, giving mics men-e-straul cycles
Street's disciple, I rock beats that's mega trifle
And groovy but smoother than moves by Villanova
Yet still a soldier, I'm like Sly Stallone in Cobra
Packing like a rasta in the weed spot
Vocals'll squeeze glocks, MC's eavesdrop
Though they need not to sneak
My poetry's deep, I never fell
Nas's raps should be locked in a cell
It ain't hard to tell
