Hit The Ground Running

[Jonny Lang](#)

The biggest fool there ever was
I let you go
And now I can't survive without your touch
I need you soBut baby all you've got to do
Is tell me that you need me tooI hit the ground running
I hit the ground running
I hit the ground running back to youOh well I'd rather die a thousand deaths
Than to lose your love
But now I'm drowning in my loneliness
I can rise above, yeah againWell just forgive me this one last time
And tell me baby you're still mineI hit the ground running
I hit the ground running baby yeah
I hit the ground running back to youOh I hit the ground running
I hit the ground running
I hit the ground running back to youAh you know I'm coming
I'm coming back for you by now baby
So if you don't want me baby
Lock your doors cause here I come
