Yes! Yes!! Yes!!!

Barenaked Ladies

[Verse 1]Enough is enough is enough is enough is
Enough is enough is enough again
I called your bluff 'cause you think you're so tough
Because you can make enemies out of friends
I am getting sleepy, I'm in your command
Yes yes yes I understand
Yes yes yes I understand
[Verse 2]Over and over and over and over and
Over and over and over again
The experts concur so we're sure it occurred
We infer the sword is mightier than the pen
You are in Atlanta; I am in a band
Yes yes yes I'm in a band
Yes yes yes I understand
[Verse 3]A fact is a fact is a fact is a fact is

A fact is a fact to misunderstand
And all the detractors who question the cracks
Have been asked to retract or face reprimand
You are always lying
I am on the lam
Yes yes yes I understand
[Chorus]Repetition of suspicion
Takes a lie and makes it true
[Verse 4]Nearer and nearer and nearer and nearer and
Nearer and nearer to our demise
The fear we adhere to appears to be steering
Our ears to where we're only hearing lies
With us or against us, the line is in the sand
Yes yes yes I understand
[Chorus]Repetition of suspicion
Takes a lie and makes it true
