Groovin' when I hear  
Like you and me baby (x4)Love  
Sweet breeze in the summer time  
Feeling your sweet face  
All laid up next to mine  
Sweet love in the midnight  
Good sleep, come mornin' light  
No worries 'bout nothin'  
Just gettin' good, just gettin' good  
Just gettin' good love  
Sweet breeze in the summer time  
Feeling your sweet face  
All laid up next to mine  
Sweet love in the midnight  
Good sleep, come mornin' light  
No worries 'bout nothin'Just gettin' good (x3)
