

# Double Loser

Alvin Lee

Got my eyes wide open, but can't see the night  
This stuff goin' round, I'm afraid is gettin' me uptight  
I'm a double loser, honey just - a double loser  
Well I'm all shook up, I can't do nothin' with you I've been drinkin' too much whiskey, I've been walkin' into  
walls  
Just can't seem to shake it, cause its got me by the balls  
A double loser - all I am is double loser  
Well I've been seein' double, gettin' deeper into trouble -  
Double loser  
Well all I am is double loser, a double loser  
Oh - double loser, honey all I am is double loser  
Well I just can't seem to shake it, and you know i just can't take it -  
Double loser Well my hands they start to shakin', and my head is gettin' light  
Can't remember what I've taken, but I know it isn't right  
A double loser - I tell the truth, a double loser  
Well I just can't seem to stop it, cause you know I cannot drop it -  
Double loser Ooooh... better stop - ooh... yeah, I gotta stop before I drop - ooh,  
Just can't take it - I gotta shake it, I'll never make it  
Now, now, now, now - a double loser... yeah, a double loser  
Wow, a double loser - now, now, now, now - a double loser  
Well I just can't seem to break it, I need you to help me shake it -  
Double loser Now, now, now, now - a double loser... yes, a double loser  
Now, now, now, now - a double loser... baby, baby, baby - double loser  
Gonna play on the percentage - this time I'm gonna wait for it to stop!
